Acknowledgments

The author would like to express his heartfelt gratitude to his parents, who have always been there for him financially and emotionally.

Ms. Lieke Aarts, as company coach, has also been extremely helpful in building the author's confidence, guiding the research, and sharing her experience, allowing the author to complete this assignment.

Mr. Rob Berkhof, the author's supervisor, is always willing to offer advice and feedback in order to improve the research in any direction.

The author is grateful for Ms. Bettine Bergmans' guidance as a Research Skills teacher, which helped the author lay the groundwork for this research.

The author would also give a heartfelt hug and words of encouragement to his friends who are currently working on their thesis, which helps the author maintain a sense of solidarity during this difficult time.

Finally, the author would like to express his gratitude to all readers, interviewees, and other parties who helped bring this research and advisory report to a close.

Thank you from the bottom of my heart
