|-------------------------------------------------------|-----|
| COVER.....                                            | i   |
| PASSING VALIDATION OF .....                           | iii |
| THE BACHELOR THESIS EXAM.....                         | iii |
| THESIS ORIGINALITY STATEMENT .....                    | iv  |
| ABSTRACT.....                                         | v   |
| ACKNOWLEDGEMENT .....                                 | vi  |
| CONTENTS.....                                         | x   |
| TABLE LIST .....                                      | xiv |
| PICTURE LIST .....                                    | xvi |
| CHAPTER I.....                                        | 1   |
| INTRODUCTION .....                                    | 1   |
| 1.1    Research Background .....                      | 1   |
| 1.2    Research Problems.....                         | 8   |
| 1.3    Research Purpose and Research Advantages ..... | 9   |
| 1.4    Structure of Writing .....                     | 10  |
| CHAPTER II.....                                       | 11  |
| LITERATURE REVIEW .....                               | 11  |
| 2.1    Theoretical Framework .....                    | 11  |
| 2.1.1    Price Consciousness.....                     | 11  |
| 2.1.2    Product Involvement .....                    | 12  |
| 2.1.3    Price-Quality Inference .....                | 15  |
| 2.1.4    Willingness-to-pay .....                     | 17  |
| 2.2    Previous Studies.....                          | 19  |

|                           |                                                                          |    |
|---------------------------|--------------------------------------------------------------------------|----|
| 2.3                       | Development of Hypothesis.....                                           | 26 |
| 2.3.1                     | The relationship between Price Consciousness and willingness-to-pay ..   | 26 |
| 2.3.3                     | The relationship between price-quality inference and willingness-to-pay  | 27 |
| 2.3.4                     | The relationship between product involvement and willingness-to-pay ...  | 27 |
| 2.3.5                     | The relationship between product involvement and price-quality inference | 28 |
| 2.4                       | Conceptual Model.....                                                    | 28 |
| 2.5                       | Hypothesis.....                                                          | 29 |
| 2.6                       | Variable Indicators.....                                                 | 30 |
| 2.6.1                     | Independent Variables.....                                               | 30 |
| 2.6.2.                    | Intervening Variables.....                                               | 32 |
| 2.6.3.                    | Dependent Variable.....                                                  | 33 |
| CHAPTER III .....         |                                                                          | 34 |
| RESEARCH METHODOLOGY..... |                                                                          | 34 |
| 3.1                       | Variables and Operational Definition.....                                | 34 |
| 3.1.1                     | Variables .....                                                          | 34 |
| 3.1.2                     | Operational Definition of Variables .....                                | 35 |
| 3.2                       | Population and sample .....                                              | 38 |
| 3.2.1                     | Population .....                                                         | 38 |
| 3.2.2                     | Sample.....                                                              | 38 |
| 3.3                       | Types and Source of Data .....                                           | 39 |
| 3.3.1                     | Primary data .....                                                       | 39 |
| 3.3.2                     | Secondary data .....                                                     | 39 |
| 3.4                       | Data Collection Method.....                                              | 39 |
| 3.4.1                     | Survey Method.....                                                       | 39 |
| 3.5                       | Data Analysis Method.....                                                | 41 |
| 3.5.1                     | Descriptive Analysis .....                                               | 41 |
| 3.5.2                     | Quantitative Analysis.....                                               | 42 |
| 3.6                       | Validity and Reliability Test.....                                       | 42 |
| 3.6.1                     | Validity Test.....                                                       | 42 |
| 3.6.2                     | Reliability Analysis.....                                                | 43 |
| 3.7                       | Data Analysis Technique.....                                             | 44 |

|                            |                                                                       |     |
|----------------------------|-----------------------------------------------------------------------|-----|
| 3.7.1                      | Structural Equation Model .....                                       | 45  |
| CHAPTER IV                 | .....                                                                 | 53  |
| RESULTS AND DISCUSSION     | .....                                                                 | 53  |
| 4.1                        | Description of the Research Object .....                              | 53  |
| 4.1.1                      | General Description of the Company.....                               | 53  |
| 4.1.2                      | Respondents Overview .....                                            | 54  |
| 4.2                        | Analysis Results.....                                                 | 58  |
| 4.2.1                      | Description of Research Variables.....                                | 58  |
| 4.3                        | Structural Equation Model Analysis .....                              | 69  |
| 4.3.1                      | Confirmatory Factor Analysis Technique (Measurement Model) .....      | 69  |
| 4.2.3                      | Evaluation of Outlier.....                                            | 77  |
| 4.2.4                      | Quality Data Testing .....                                            | 80  |
| 4.2.5                      | Hypothesis Testing.....                                               | 85  |
| 4.3                        | Discussion.....                                                       | 88  |
| 4.3.1                      | The influence of Price-quality inference on willingness-to-pay .....  | 88  |
| 4.3.2                      | The influence of price consciousness and willingness-to-pay .....     | 89  |
| 4.3.3                      | The influence of price consciousness and price-quality inference..... | 90  |
| 4.3.4                      | The influence of product involvement on willingness-to-pay .....      | 91  |
| 4.3.5                      | The influence of product involvement on price-quality inference ..... | 92  |
| CHAPTER V                  | .....                                                                 | 93  |
| CONCLUSION AND IMPLICATION | .....                                                                 | 93  |
| 5.1                        | Conclusion .....                                                      | 93  |
| 5.3                        | Managerial Implication .....                                          | 96  |
| 5.4                        | Research Limitation .....                                             | 97  |
| 5.5                        | Suggestion for Future Research .....                                  | 99  |
| REFERENCES                 | .....                                                                 | 99  |
| APPENDIX.....              |                                                                       | 102 |
| APPENDIX 1.....            |                                                                       | 102 |
| APPENDIX 2.....            |                                                                       | 108 |
