HALAMAN JUDUL ........................................................................................................... i
PERSETUJUAN SKRIPSI ................................................................................................. ii
PENGESAHAN KELULUSAN UJIAN ............................................................................... iii
PERNYATAAN ORISINALITAS SKRIPSI ........................................................................ iv
ABSTRACT ......................................................................................................................... v
ABSTRAK ........................................................................................................................... vi
MOTTO DAN PERSEMBAHAN ....................................................................................... vii
KATA PENGANTAR .......................................................................................................... viii
DAFTAR ISI ....................................................................................................................... xi
DAFTAR TABEL .................................................................................................................. xiv
DAFTAR GAMBAR ............................................................................................................ xv
DAFTAR LAMPIRAN ......................................................................................................... xvi
BAB I ...................................................................................................................................... 1
PENDAHULUAN ................................................................................................................. 1
1.1 Latar Belakang ............................................................................................................. 1
1.2 Rumusan Masalah ...................................................................................................... 10
1.3 Tujuan Penelitian ....................................................................................................... 11
1.4 Manfaat Penelitian .................................................................................................... 11
1.5 Sistematika Penulisan ............................................................................................... 12
BAB II ................................................................................................................................... 14
TINJAUAN PUSTAKA ......................................................................................................... 14
2.1 Landasan Teori .......................................................................................................... 14
2.1.1 Kinerja Karyawan ................................................................................................. 14
2.1.2 Persepsi Dukungan Organisasi .......................................................................... 16
2.1.3 Person-Organization Fit ...................................................................................... 17
2.1.4 Komitmen Organisasional .................................................................................. 19
2.3 Keterkaitan Antar Variabel ...................................................................................... 29
2.3.1. Pengaruh Persepsi Dukungan Organisasi terhadap Kinerja Karyawan ................. 29
2.3.2. Pengaruh Person-Organization Fit terhadap Kinerja Karyawan.... 30
2.3.3. Pengaruh Komitmen Organisasional terhadap Kinerja Karyawan . 31
2.4 Kerangka Pemikiran ........................................................................ 32
Kerangka Pemikiran............................................................................. 32
BAB III.............................................................................................. 33
METODE PENELITIAN........................................................................ 33
3.1 Variabel Penelitian dan Definisi Operasional ............................... 33
  3.1.1 Variabel Penelitian ................................................................. 33
  3.1.2 Definisi Operasional Variabel............................................... 34
3.2 Populasi dan Sampel .................................................................... 35
3.3 Jenis dan Sumber Data .................................................................. 35
3.4 Metode Pengumpulan Data ........................................................... 36
3.5 Metode Analisis ............................................................................ 37
  3.5.1 Uji Validitas ........................................................................... 37
  3.5.2 Uji Reliabilitas ....................................................................... 37
3.6 Uji Asumsi Klasik ........................................................................ 38
  3.6.1 Uji Heteroskedastisitas............................................................ 38
  3.6.2 Uji Normalitas ........................................................................ 39
  3.6.3 Uji Multikolonieritas............................................................... 39
3.7 Analisis Regresi Linier Berganda.................................................... 40
  3.8 Goodness of Fit .......................................................................... 40
    3.8.1 Uji Statistik F ..................................................................... 40
    3.8.2 Uji Statistik t ....................................................................... 41
    3.8.3 Koefisien Determinasi ($R^2$).............................................. 41
BAB IV .............................................................................................. 43
HASIL DAN PEMBAHASAN ................................................................. 43
  4.1 Deskripsi Objek Penelitian .......................................................... 43
  4.2 Gambaran Umum Responden ......................................................... 44
    4.2.1. Jenis Kelamin ..................................................................... 45
    4.2.2. Usia Responden ................................................................. 45
    4.2.3. Pendidikan Terakhir Responden ....................................... 46
4.2.4. Masa Kerja .......................................................... 47

4.3 Analisis Angka Indeks .................................................. 48
   4.3.1 Deskripsi Variabel Persepsi Dukungan Organisasi .......... 48
   4.3.2 Deskripsi Variabel Person-Organization Fit ................. 50
   4.3.3 Deskripsi Variabel Komitmen Organisasional ............... 52
   4.3.4 Deskripsi Variabel Kinerja Karyawan ....................... 53

4.4 Uji Instrumen .................................................................. 55
   4.4.1 Uji Validitas .......................................................... 55
   4.4.2 Uji Reliabilitas ....................................................... 56

4.5 Uji Asumsi Klasik ......................................................... 56
   4.5.1 Uji Heteroskedastisitas ............................................ 56
   4.5.2 Uji Normalitas ........................................................ 58
   4.5.3 Uji Multikolonieritas ............................................... 61

4.6 Uji Regresi Linier Berganda .............................................. 61

4.7 Goodness Of Fit ............................................................. 63
   4.7.1 Uji Statistik F ......................................................... 63
   4.7.2 Uji Statistik t .......................................................... 64
   4.7.3 Koefisien Determinasi (R\(^2\)) .................................. 66

4.8 Pembahasan .................................................................... 66
   4.8.1 Pengaruh Persepsi Dukungan Organisasi Terhadap Kinerja Karyawan ........................................ 67
   4.8.2 Pengaruh Person-Organization Fit Terhadap Kinerja Karyawan .. 68
   4.8.3 Pengaruh Komitmen Organisasional Terhadap Kinerja Karyawan 70

BAB V ................................................................................. 72

PENUTUP ........................................................................ 72
   5.1 Kesimpulan ..................................................................... 72
   5.2 Implikasi Teoritis .......................................................... 72
   5.3 Implikasi Manajerial ..................................................... 74
   5.3 Keterbatasan Penelitian ................................................. 75
   5.4 Saran Untuk Peneliti Selanjutnya ................................... 75
